28th September 2026

Dear Parents/Carers

We are extremely excited to share that on **Tuesday 24th November 2026**, we will be welcoming **Sublime Science** into school to deliver fantastic action-packed science workshops for our Year 4 children, as first seen on the TV show, Dragon's Den.

The workshops are the perfect mix of Spectacular Science Experiments & Hands-on Activities, including:

- 'Magic' Tricks and Spectacular Experiments where the children's mouths will fall wide open with amazement! (And they'll learn about the scientific method too!)
- Sweet Making as a Science Experiment - Every single child will be grinning from ear to ear when they taste them! (As well as understand chemical reactions!)
- Spectacular Science - Bubbles, Smoke & Flying things where the children learn all about pressure, air & forces too.
- Gooey Slime Making - the children will make their own slime to take home & show their parents (and learn all about polymers too!)

The cost of this visit from Sublime Science is £15.60 per child.

Please pay in full by Friday 13th November 2026 via the SchoolMoney app; if you prefer you will have the option to pay in seven weekly instalments beginning on Friday 2nd October 2026 and ending Friday 13th November 2026.

How did we calculate the cost of this trip? Sublime Science is £749.00, divided by 48 children = £15.60

This is a wonderful opportunity for the children to immerse themselves in a rich, hands-on experience that supports many areas of the Science curriculum, whilst having lots of fabulous fun.

We are sure the children will have a memorable and enjoyable day.

Yours sincerely

Year 4 Staff
