Year 6 Residential – Monday 6th July to Wednesday 8th July 2026

Dear Parents and Carers

From previous experience, we know that residential trips can provide our pupils with a wealth of experience that supports their future learning. With this in mind, we have secured a booking for a residential trip to **The Pioneer Centre, Cleobury Mortimer, Kidderminster, from Monday 6th July to Wednesday 8th July 2026.**

We had a successful and exciting trip to The Pioneer Centre last year. The Centre provides exciting activities including climbing, high ropes, archery, abseiling and much more.

We hope that our visit will provide the children with an insight into their own strengths and weaknesses that they can build from, grow in confidence, trust, and reach their full potential in a safe environment, whilst making joyous memories to last them a lifetime.

As we are unable to give exact costs of coach travel until we know how many children will be attending, here are Last Year's costings to give you an idea of how much the trip cost you:
Last year's visit, including transport, food and accommodation plus all activities was **£240.00.**
Children that were eligible to free school meals: food and accommodation is subsidised by school therefore the total cost of last year's visit including transport and all activities was **£109.00.**

To secure your place please logon to schoolmoney and pay a non-refundable deposit of £35.00 no later than Friday, 9th December 2025.

Payment for this trip will be by SchoolMoney only. We regret we are unable to accept cash or cheques. We will ask for your consent for this trip when you make your deposit payment. As soon as we have final numbers of attendees and know what size coach will be required, remaining balance/payments and suggested payment plans will be accessible on Schoolmoney. You will be notified via text and email when this is the case.

If you have any questions, please do not hesitate to contact your child's teacher.

Yours sincerely

Mrs Tougher
Year 5 & 6 Phase Leader
