Summer Term 2026 - Year 4

As always, we are excited for the new school term. We are really looking forward to all the fabulous learning we are going to do. Thank you for your continued support.

The Year 4 Staff are: 4D Mrs Simcox
4H Miss Griffin
Phase Leader – Mrs Parker
Support Staff – Mrs Quinton, Mrs Francis-Chamberlain

English and Maths

In maths, we will be learning about decimals, money, time, shape, statistics, and position and direction. We will also be focussing on fully embedding our times tables knowledge in preparation for the 2024 statutory Multiplication Tables Check (more information to follow).

This term, in English, we will be writing for a variety of purposes. We will be focussing on improving our reading skills across a variety of texts, as well as continuing to read Varjak paw and The wild robot.

Science

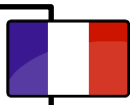

In science this term, we will be learning about how to construct electrical circuits, and living things and their habitats

Art – We will be learning different types of printing and using these to make William Morris style artwork.

DT – The children will be tasting, designing, and making pizza!

Music – We will be learning to make music using the pentatonic scale.

MFL

In French this term, we are going to be learning to identify habitats for plants and animals and in the classroom which the children will look at saying objects in the classroom in French.

Reading Books

Children should read at least 3 times per week and parents record it in their reading record book.. Get reading!

Computing

This term, the children will be using a programme called Micro-bit which they will use to learn how to code and input commands into a LED board.

In **geography**, we will be learning about and comparing the UK to Poland

In **history**, we will be studying the settlement of the Anglo Saxons in Britain.
