Summer Term 2026 - Year 3

Welcome back to all of our families, carers and children. We hope that you are glad to be back and are looking forward to the term ahead as much as we are. We have an exciting term ahead which involves welcoming you to our stay and do to showcase our learning in English. More details will follow. We appreciate all the support from home and look forward to sharing the children's learning with you.

English and Maths

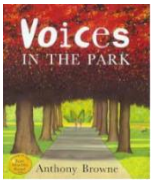

In Maths, we will be working collaboratively to complete our learning about fractions, money, time, shape and statistics. We will be applying these skills to reasoning and problem solving.

This term, in English we will be exploring a range of exciting, high-quality texts called 'Too Much Stuff', 'The Barnabus Project and 'Voices in the Park'. We will be focusing on writing a 1st person narrative, an instruction manual and an illustrated story.

Geography:

This term, our Geography topic is all about modern Egypt. Children will be recapping where is on a world map, explore the capital city in more depth, identify the physical and geographical features as well as the climate and landscapes.

P.E

Our P.E days for Year 3 are **Thursday** and **Friday**. Please ensure children wear their PE kit to school on these days. For the summer term, 3D will continue swimming. Whilst 3H will remain in school for PE. Both classes will be taking part in tennis and basketball. Please ensure PE uniform is their house coloured t-shirt with black shorts or joggers and trainers. Earrings must be removed at home before the lesson if children are unable to take them out by themselves.

Science

In Science this term we will be learning all about light, discovering how shadows are formed and how we can change them. We will also focus on working scientifically, planning and completing experiments ensuring we carry out a fair test.

Art

Art this term will focus on the artist John Glick and the children will design and make their own canopic jars.

DT

In our DT lessons this term we will be designing and making a Chinese coin purse.

Reading

Please continue to read with your child at home to improve fluency and accuracy. Please aim to read with your child at least 3 times per week.

History

This term, our history topic is Ancient China where we will be comparing and contrasting this against the other ancient civilisations we have studied this year.
